Office of Petitions
Commissioner for Patents
Alexandria, VA 22313

The Applicant respectfully petitions to claim priority to PCT/EP02/05778, having an international filing date of May 24, 2002. The reference identifying the prior-filed application by international application number and international filing date was unintentionally delayed.

This Petition is accompanied by:

- 1) The reference required by 35 U.S.C. §120 and paragraph 37 C.F.R. § 1.78(a)(2) to the prior-filed application;
- 2) The surcharge set forth in 1.17(t); and
- 3) A statement that the entire delay between the date the claim was due under paragraph (a)(2)(ii) of this section and the date the claim was filed was unintentional.

Reference to PCT Application

The present application is a continuation application of PCT/EP02/05778, having an international filing date of May 24, 2002. The Applicant encloses a preliminary amendment to add a sentence at the beginning of the present application to include this reference.

Statement Regarding Delay

The undersigned represents that the entire delay between the date the priority claim was due and the date of this petition was unintentional. The undersigned hereby declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Propriety of Priority

The Applicant submits that a priority claim to PCT/EP02/05778 is appropriate since the present application has at least one inventor in common with PCT/EP02/05778 and was filed during the pendency of the PCT application.

Priority Claim to DE 101 26 950.1

The Applicant notes that the application as filed included a claim of priority to DE 101 28 701.1, filed June 7, 2001. (We note that the Declaration, submitted unsigned with the original filing and signed on April 29, 2004, presented the month and date in opposite position, thereby indicating an incorrect filing date of July 6, 2001.) This claim has been acknowledged by the Office on the filing receipt.

Publication

The Applicant notes that the present application has been published August 26, 2004. Thus, policy against late claims to priority would not be thwarted by granting this petition.

Respectfully submitted,
Kai Desinger,
By his attorneys:
